

Member Heads Up

November 20, 2017

Heads Up Details	REMINDER – provisional Builder Licenses are required as of December 1, 2017 Members who have registered at least two homes in the past two years with the New Home Buyer Protection Office were sent an email from Municipal Affairs to set up the provisional license. Purpose-built rental builders were also sent information. If you have not received this email: <ol style="list-style-type: none">1. Check any info/general email accounts for the licensing email. The email would have been sent to the same email address that is associated with your builder profile in the New Home Buyer Protection Office system.2. If you locate the email, fill out the brief survey.3. If you cannot locate it, contact Municipal Affairs ASAP:<ol style="list-style-type: none">a. Erin J Blackb. Monte Krueger
