2020 BILD Alberta Award Winners Announced

The Building Industry Land Development Alberta Association (BILD Alberta) is pleased to announce the winners of the annual BILD Alberta Awards, presented by The Alberta New Home Warranty Program. Over 100 judges participated in selecting this year's winners which were celebrated during a special online ceremony on September 10.

29 awards were handed out in categories to honour Alberta's top home builders, professional renovators and community developers. The virtual celebration also included the presentation of the Safety Leadership and Community Service awards and the event concluded with the most prestigious awards - the Pinnacle Awards.

A Pinnacle Award is presented to a company that had the most points in the competition. Companies received points for their category placement and they had the opportunity to earn additional points for their commitment to safety, customer satisfaction, community service and association involvement. The company with the most combined points was declared the winner in the respective Pinnacle category. Here are this year's winners:

“We are delighted to share and celebrate the work of many of our members. The awards illustrate the choices Albertans have, from welcoming communities to the variety of single and multi-family homes and transformative renovation projects. We encourage consumers to discover more by visiting the showhomes, communities and websites of our winners,” said Scott Fash Executive Director, BILD Alberta.

Building Industry and Land Development Alberta Association (BILD Alberta) is the unified voice for the land development, home building and renovation industry in Alberta. BILD Alberta represents over 1,600 business members from 9 constituent associations committed to building communities throughout Alberta.
