**Effective January 1, 2023, CMHC's Starts and Completion Surveys methodology has changed.** Completions and absorptions will only be collected in Census Metropolitan Areas (CMAs). This means the following series are discontinued for Census Agglomerations of 50,000 population or more: completions, under construction inventory, length of construction (in months), absorbed units, percentage of absorbed units at completion, inventory of completed and unabsorbed units, absorbed unit prices and unabsorbed unit prices. The following series are also discontinued for urban centres of 10,000 – 49,999 population as well as Canada and Provincial All Areas: completions and under construction inventory.
