

# Career Fair Opportunities Alberta 2025

This document lists some of the career fair events that are scheduled throughout Alberta for 2025. These events are opportunities for members to communicate to potential employees, or those considering a career in the residential construction industry. Any questions about the events can be directed to the email listed under the events contact.

Many of the career fair events include marketing and advertisement for the exhibitors that participate in the events. Interested members need to apply to be an exhibitor at the career fairs two weeks before the event date.
